In 2004 Amor de Orange County (AOC) was launched to proactively improve the home life of Santa Ana---area teens by helping their parent's marriages and relationships. In the past two years AOC has served around 5,000 couples and 2,000 youth. Our mission is to improve the quality of life for families by providing education and resources that meets the emotional, social, physical and spiritual needs of individuals.

We support the great work of the Boy Scouts of America in working in Latino communities to build stronger families and create our future generation of young leaders. Our youth may face challenges, but scouting provides the important character, moral and leadership skills that prepare them to be successful in life.

We would encourage all pastors to give serious consideration to have scouting as part of your outreach ministry.

Thank you for all the work you do on behalf of our communities.

Sincerely,

Pastor Ariel Meza
President and Executive Officer
Amor de Orange County
