

SEE IT.

A smart Scout will always take personal safety seriously. If you see something or someone while Scouting that could pose a danger to yourself or your fellow Scouts, **don't ignore it!**

STOP IT.

A good Scout will **immediately attempt to prevent** the dangerous situation from continuing to happen, but only if it is safe to do so.

REPORT IT.

A brave Scout doesn't let youth protection violations go unreported. **Be sure to tell a Scout leader or trusted adult** about the situation immediately.
