The League of United Latin Americans Citizens (LULAC), Santa Ana Council No. 147, supports the great work of the Boy Scouts of America in working in Latino communities to build stronger families and create our future generation of young leaders. Our youth face many challenges, but scouting provides the important character, moral and leadership skills that prepare them to be successful in life.

Founded in 1929, LULAC is the oldest and largest Hispanic member based organization. The Santa Ana Chapter, Council No. 147 was founded in 1946 and continues to be very active in community issues and concerns of Latinos. Our mission is to assist the Latino community in the areas of civil rights, educational incentives, public policy advocacy, and to be involved in local community activities and civic affairs

The mission of the Boy Scouts of America to instill important values in our nation's youth is consistent with our focus on the family. We are looking forward to exploring ways to bring this important program to our families. We recommend that all interested families become active participants of the Boy Scouts of America.

Thank you for all the work you do on behalf of our communities.

Sincerely,

Zeke Hernandez
