We applaud the National Council, Boy Scouts of America for your commitment of serving the youth of our country. We support the great work you do to build stronger families and create our future generation of young leaders. Our youth may face many challenges, but scouting provides the important character, moral and leadership skills that prepare them to be successful in life.

For twenty nine years, the Orange County Hispanic Chamber of Commerce has provided services to businesses. We represent and provide access to 30,000 Hispanic owned businesses in Orange County.

Our goals promote economic programs to strengthen and expand the income potential of Hispanic businesses within the trade area. We strive to create a better image, understanding, and appreciation of the importance of the Hispanic Market. Additionally we strive to participate as partners in support of civic, social, cultural, and legislative programs which are designed to enhance the quality of life of the Hispanic Community.

We are pleased to support the Boy Scouts in your continued service to children from all walks of life.

Sincerely,
